- C. Prof. C.M. Govil Memorial Lecture (2022): Ewing Christian College, Prayagraj (Nodal person: Dr. Shonali Chaturvedi).

**11. New Proposals accepted by EC:**

- (a) **Journal improvement plan:** In an effort to raise the level of Journal, it was suggested to make a beginning to adopt online submission and publication system on standard pattern to enhance journal visibility and ease of doing. Dr. U.C. Lavania, based on his experience of working with an international publisher as an Editor-in-Chief of another journal, and interactive discussion with a Lucknow based prospective publisher, and sharing the information with other senior members of the

IBS, including the incumbent Chief Editor of JIBS – Prof. Y. Vimala, Prof. S. Nampy, Chief Editor, Rheedea, Prof. AK Pandey, Prof. PC Trivedi, Prof. SR Yadav, Prof. NK Dubey, Prof. DK Maheshwari and Prof. Ashwani Kumar, Prof. SS Sharma – all having experience in such matters, suggested adopting the Journal of the Indian Botanical Society to purely online mode of publication and subscription. This suggestion was seconded by Prof A.K Pandey, Dr. Manoj Prasad, and Prof. Y. Vimala, and further supported by all others. A proposal submitted by MRI Publishers was taken into consideration and it was put before the EC/EB members for further discussion. Mr. Ashwani Shukla was special invitee in the EC/EB meeting and was asked to demonstrate the proposal and process of online mode for JIBS. Due to some technical errors the presentation was postponed till next day. Mr Shukla gave a presentation before the EC/EB members on 15<sup>th</sup> October 2022, and after a discussion his proposal was unanimously approved by all the members of EC/EB. However, to arrive at to develop final contract, further budgetary negotiations and workflow will be carried out through a committee constituted by the President.

- (b) **Strict screening of the manuscripts:** Prof Manoharachary and Dr. Manoj Prasad suggested strict screening of submitted manuscripts as in rated journals for raising the standard. However, President of IBS, Prof S.R Yadav, suggested that the journal should promote publications from botanists coming from rural areas and colleges.
- (c) **Report of AIBC meeting:** Prof A.K. Pandey suggested to prepare a Meeting Report of the deliberations made during AIBC every year. This report may be prepared preferably by the respective Organizing Secretary, for publication in the JIBS and also on the website. Prof A.K. Pandey volunteered to prepare the first Report of AIBC this year.
- (d) **News and Views section:** Prof. P.C Trivedi suggested that there should be a News and Views section on the website for the latest update of photographs and news about IBS meeting, and special achievement by the IBS members.
- (e) **Upgradation of the list of life members:** Prof. Arun Kumar Pandey and Prof P.C. Trivedi suggested the upgradation of the list of life members from the previous years' printed year books.

- (f) **Life members not in records of IBS** The issue was raised by the Treasurer Dr. Alok Srivastava that there are some life members who claim to be life members although couldn't furnish the receipt and also the names are not there in the records of the society. It was resolved by the EC members that in such cases in absence of any solid proof regarding the membership the member should be asked to take fresh life membership.

In this respect, Prof. Arun Kumar Pandey and Prof P.C. Trivedi suggested that while updating the list of life members, efforts should be made to search for the missing names, if any, from the previous years' printed year books

- (g) **Local Chapters: There are 19 Old chapters. Lately, 2 new chapters have been added one each at Udaipur & Kota:**

The issue of local chapters was raised in the EC. It was discussed that most of the old local chapters have now become defunct, or some of the local chapters were acting independently in their own right – which is not permissible. This posed a serious concern of ambiguity of IBS identification on global Web. It was resolved by the EC members that all the local chapters should be notified to elect afresh the President and Secretary to become functional. In case of non-response from the local chapters the chapter would be considered as defunct / and deemed closed. It was also categorically pointed out that the Local chapters should use the name: '**Local chapter**' of IBS only; they cannot have any other title.

Whereas, Patna, Jammu, Meerut, Gurukul Kangri Haridwar; Kakatiya, Warangal; have informed about their activities, **but the Chapters from** BHU, Bhavnagar University, Bhagalpur University, Gujrat University, Nagarjuna University, Osmania University, Panjab University, Panjabi University, Patiala; R.D. University, Jabalpur, Utkal University Bhubneswar; Rajasthan University, Jaipur; Allahabad University, Mumbai University and Kerala University, Thiruvananthapuram did not respond.

## **12. Election of the new Executive council of the IBS for the term 2023-2026:**

(o) **Local Chapter:**

**Old 19 Chapters 2 new added-Udaipur & Kota:** The issue of local chapters was raised in the EC and it was discussed that the local chapters are mostly defunct or some of the local chapters were acting independently. This posed a serious concern of ambiguity of IBS identification on global Web. It was resolved by the EC members that all the local chapters should be notified for re election of president and secretary to become functional. In case of non response from the local chapters the chapter would be considered as defunct. It was also pointed in particular the Local chapters will put the name of Local chapter of IBS only they cannot have any other title.

**(Patna, Jammu, Meerut, Gurukul Kangri Haridwar; Kakatiya, Warangal; have informed about the activities.** BHU, Bhavnagar, Bhagalpur, Gujrat, Nagarjuna, Osmania, Panjab, Panjabi, Patiala; R.D.
