

CONTENTS

Effect of Fly Ash application on the Growth, nodulation and Mycorrhization in Cowpea (<i>Vigna sinensis</i> (L.) Var. Kanchan) Pallavi Rai and Harbans Kaur Kehri	1-17
Seed Germination behaviour of <i>Berberis lycium</i> Royle from Anni Khad Watershed Area, Kullu (Himachal Pradesh) Anita Kumari, Sher Singh Samant and Shashi Sharma	18-27
Soybean (<i>Glycine max</i> L.) - A Neglected Versatile Crop in Jammu and Kashmir, India Sheikh M. Sultan and Nilamani Dikshit	28-35
Four new reports of Sacred Groves for the State of Maharashtra Kalpiti Mhatre and Rajendra Shinde	36-43
Effect of Soil Moisture on Growth of <i>Glycine max</i> (L.) Merrill varieties Arvind Kumar	44-50
Influence of GA on Seedling Growth of <i>Leucaena leucocephala</i> (Lamk.) De Wit. cultivars Minu Gupta	51-57
Enzymatic Study of Some Poroid Fungus Ranjana Singh and M. S. Hussain 'John'	58-63
Response of Initiation media treatment and use of PGR on Macro-propagation of Cavendish Banana cultivars Sudeshna Baruah, Utpal Kotoky and Kaushik Das	64-69
New additions to Macrofungi of Telangana State, India C. Manoharachary and D. Nagaraju	70-75
Rapid <i>in vitro</i> Propagation of medicinally important <i>Hemidesmus indicus</i> (L.) R.Br. through nodal Explants M. Prashanti, K. Kalpana, P. Shivaprasad, Swathi Singh, A. Rojarani and K. Janardhan Reddy	76-81
Phylloplane Fungi of <i>Vitex negundo</i> Linn. D. Nagaraju and C. Manoharachary	82-87
Molecular Characterization of an Endangered Species- <i>Eugenia calcadensis</i> (Myrtaceae) K. Dharmar and Y. Erkins Michael	88-93
Rare and Threatened medicinal Plants of Santhal Pargana, Jharkhand Chandra Bhanu Singh	94-99
Infestation of Aquatic Weeds: A Serious Threat Hem Kant Jha	100-104
A Preliminary Study on The Relationship Between Number of leaves and flower quality and Longevity in <i>Tulipa lanata</i> Regel Gh. Nabi Joo and Sheikh M. Sultan	105-109
Detection of Seed Germination Inhibitors in Dormant Seeds of <i>Angelica glauca</i> Edgew. and <i>Polygonatum verticillatum</i> (L.) All. From Kinnaur (Himachal Pradesh) Vinay Kumar	110-114
Some Plants for Human Health from Telangana State, India C. Manoharachary, D. Nagaraju and T. Aravinda	115-118
Diversity and distribution of agaricaceae in Western part of India with special reference to Gujarat State Ajit M. Vasava, Rina D. Koyani, Ravi S. Patel and Kishore S. Rajput	119-135
Screening of PGRs, L-dopa Precursor and Polyploidy Inducer treatments on Protein content of <i>Mucuna pruriens</i> Callus. Laxman Nagar, Juhi Dhillon, Ishwar Singh and Vimala Y.	136-139
Some new distributional records of Angiospermic Plants from Palamau Division of Jharkhand Jasbir Bagga and Kaushik Mallik	140-143
